IPO was a major success. I will be taking delivery of my roughly 500k shares by early next week. I will send the certificate to your office once I receive. I spoke with our banker Shapiro at cnb and he thinks he will be able to get me a 1.2mm bridge loan based upon my stock position. We would pay off the 200k unsecured loans I have with cnb and pay off my taxes and the rest is living expense until the 180 days restriction is up and I can sell my stock. Cdrb just made the russell 2000 index out of the gates. Exciting stuff!
